Revised Construction Value

Date:

On the application presented by you on which Permit # _____ as issued on _____ for _____ at _____ you represented that the value of work (material and labor) would be \$ _____. Now that you are in a better position to state the actual complete value of said work, and in order that the sworn statement on the application may be reaffirmed or possibly revised, you are requested to reply to the following:

Original Estimate

Final Value

Increase

Fee Adjustment

B.O. Use Only

Note: Please return this completed, notarized form whether or not there is an increase in the original estimate.

Thank you for your cooperation.
