**OLD BUSINESS:**

1. A request was made by the Alferi's at 2 Barn Road to report to the commission once a month instead of every week. L. Franklin reported that the property looks much better. E. Vikstrom felt that was OK for now but it should go back to weekly reports once they start working in sensitive areas. C. Goodman made a motion to approve the response to the letter from the Mr. & Mrs. Alferi. The modification is approved with the following conditions: Weekly notification will be required once the major phases of construction start including driveway, barn, grading. The report should include activities made on that property during the week of the report. The weekly reports can revert back to monthly after the foundation, driveway, septic, grading and stabilization are finished. L. Marble seconded. Unanimous approval.

**NEW BUSINESS:** none

**Enforcement:**

1. WEO Report. There was no WEO Report this month.
