OUR MISSION STATEMENT:
The Mission of Bridgewater’s Hilltop Center is to identify the total needs of our aging population, promote and encourage new and existing activities, provide services and education to enhance the quality of life for all of us.

TELEMARKETING FRAUD
Here are some warning signs of telemarketing fraud – what a caller may tell you:

- “You must act “now” or the offer won’t be good.”
- “You’ve won a ‘free’ gift, vacation, or prize. “But you have to pay for “postage and handling” or other charges.
- “You must send money, give a credit card or bank account number, or have a check picked up by courier.” You may hear this before you have a chance to consider the offer carefully.
- “You don’t need to check out the company with anyone.” The callers say you do not need to speak to anyone including your family, lawyer, accountant, local Better Business Bureau, or consumer protection agency.
- “You don’t need any written information about the company or their references.”
- “You can’t afford to miss this ‘high-profit, no risk’ offer”

If you hear these or similar “lines” from a telephone salesperson, just say “no thank you” and hang up the phone!

WHAT IS A MUNICIPAL AGENT?
Every town and city has a Municipal Agent for the elderly who assist town residents ages 60+ by providing information and referrals to local, state, and Federal services and benefit programs. Municipal Agents are familiar with program and benefits such as: Medicare, Medicaid, Snap, Social Security, Protective Services, Legal Services, Adult Daycare, Housing, Transportation, and local Senior and Community groups. Many also help seniors fill out application forms for benefits. The Municipal Agent for Bridgewater is Dawn MacNutt who can be reached at 860-354-1348.

**FALLS AND OLDER ADULTS**

Many people have a friend or relative who has fallen. The person may have slipped while walking or felt dizzy when standing up from a chair and fallen. If you or someone you know has fallen, you are not alone. More than one in three people age 60 or older falls each year. The risk of falling – and fall-related problems RISES WITH AGE!

**WAYS TO PREVENT FALLS**

Exercise TO IMPROVE YOUR BALANCE AND STRENGTHEN YOUR MUSCLES. Not wearing bifocal or multifocal glasses when you walk, especially on stairs will make you less likely to fall. You can also make your home safer by removing loose rugs, adding handrails to stairs, and hallways and making sure you have adequate lighting in dark areas. Falls are not an inevitable part of life even as a person gets older. **YOU CAN TAKE ACTION TO PREVENT FALLS!**

Your doctor or other health care providers can help you decide the changes you need to make.
**A BIG THANK YOU** to all who came and participated in our Veterans’ Day. Our very own resident, Joe Buchheit, LTC-USA (Ret), organized a fitting tribute to our veterans. Our thanks also to First Selectman Curtis Read, the Rev. Peter Hammond, The Hilltop Singers and all who participated.

**THANK YOU, VETERANS, FOR ALL YOU HAVE DONE.**

It has been another fun filled year for all of us at Hilltop Center and we would like to thank all of you for your help, your ideas and your friendship in making this possible.

**A BIG THANK YOU** to all our volunteers for the help you have given us throughout the past year. We could never run the programs; organize the lunches and other social activities without you. We are already working on plans to make 2019 another fun filled year and look forward to working with all of you.

**WE WISH YOU ALL A VERY MERRY CHRISTMAS AND A HAPPY AND HEALTH NEW YEAR.**

**WINTER WEATHER**

With another storm season looming, it’s important for all of us to have emergency supplies in the house.

**CHECK LIST FOR EMERGENCY PREPARATION:**

Even though it is unlikely that an emergency would cut off your food supplies for two weeks, consider maintaining a supply that will last that long. An emergency supply kit is a collection of basic items that could be needed in the event of an emergency:

- **Water** – one gallon per person, per day.
- **Food** – nonperishable, easy to prepare items
- **Manual can opener** – flashlight – extra batteries
- **Battery powered or hand crank radio** (NOAA weather radio, if possible)
- **First aid kit** – medications (7 day supply) and medical items – medication list
- **Cell phone with chargers** – family and emergency contact information – extra cash

**GREETING CARDS:**

We have a wonderful selection of greeting cards, including Christmas cards. Noella English is available to help you select your own card design and add your very own personal message. If you are interested give us a call and we will set you up with her.

**CHRISTMAS BASKETS:**

If you would like to help out with our Christmas Baskets we are looking for cookies to be included in each basket. This year we are looking for 32 cookies from anyone who can bake.

**Please bring them to Hilltop Center by Monday, December 10th during regular hours, 10 – 4.**

We will also need drivers to deliver the baskets on Wednesday, December 12th at 1:00 pm. Please call or stop in to sign up. Monetary donations are welcome any time.

**HOLIDAY SCHEDULE:**

- December 24th Christmas Eve – CLOSED
- December 25th Christmas Day – CLOSED
- December 26th Boxing Day – CLOSED
- December 31st New Year’s Eve – CLOSED
- January 1, New Year’s Day – CLOSED

**MULTI SERVICES**

**Guess what? We have changed our name to Hilltop Center to more accurately reflect the services and programs we offer.**

No, there won’t be less activity for our seniors, but, there will be a lot more things to do for our up-and-coming participants.

Just take a look at some of our offerings:
