Subject: ARPA Funds

Hi to all, below is a link to an interesting article regarding the town of Roxbury and how they distributed the ARPA funds (American Rescue Plan Act). They gave a portion to their Emergency Management/Fire Department as Bridgewater did, but also gave funds to most of the non-profit organizations that serve the town. It seems the idea originated from the Roxbury Finance Board. I believe the town of Bridgewater will receive a 2nd wave of these funds.

Just thought I would mention this to some of you who are involved with non-profit organizations in town.

Thanks

Julie
